

Kaare Weber
President, Athletes vs. Crohn's and Colitis

January 1, 2017

Dear Dr. Weber,

To be honored with the first annual scholarship from Athletes vs. Crohn's and Colitis is an honor and a privilege. I want to personally thank you, Noah, Larry and the entire team involved with this organization. The generous college scholarship that was awarded to me on Monday, December 11, 2018 will make a huge impact in financing my college education.

I have been accepted to Seton Hall, Monmouth University, Manhattan College and the Rutgers School of Business. With a college education I hope to have a successful future and offer a positive difference in society. I am looking forward to being a part of this organization with you, Noah, Larry and the entire team of volunteers.

Having Crohn's has helped me see that you need a support system to guide and help you, I am hoping to offer support to other athletes with crohn's and colitis through this foundation.

Sincerely,

A handwritten signature in black ink, appearing to read 'JC' with a stylized flourish extending to the right.
